A MESSAGE FROM OUR PRESIDENT

Hello Everyone,

Happy Fall! I hope you're all doing well and looking forward to the holidays.

First, I'd like to send a huge thank you to our editor, Angela Phillips, for the AMAZING Special Edition newsletter highlighting the 2023 Agua Dulce Country

Fair & Parade that went out mid- October. She did such a beautiful and thorough job! Thank you so much for your hard work, Angela.

2024 is close upon us. The board will be having a planning meeting to nail down the 2024 calendar sometime in January. If you'd like to suggest something or get involved with one of our regular events, let me know. Your support is greatly appreciated. Check out the rest of this newsletter to see the exciting events still to come this year.

I hope to see lots of you for the potluck at Thursday's meeting. We'll have a short business meeting at 6:30pm followed by the potluck at 7pm. It will be a great time for us all to relax, enjoy some great food, and catch up!

*Best Regards,
Kat Hupp*

DONNA SAUFLEY

Our community has lost a very special person. **Donna Saufley**. Donna passed away on October 6, 2023. She and her husband, Jeff, were often referred to as Trail Angels for hosting Pacific Crest Trail Hikers on their property.

The Saufley's moved from Santa Clarita to Agua Dulce in 1996. One year later they created Hikers Heaven. At times, the Saufley's would host over 100 hikers per night. Jeff said, "her organization skills were unmatched". He went on to say, "Donna loved our community and through the trail she met all kinds of people and was loving to everyone that came in here." Donna was a mom, grandma, wife, and a friend to everyone. When she became ill in February 2023, several people she met and hosted at Hikers Heaven over the years, came to help Jeff with Donna. To this day, these trail friends are still helping Jeff in any way they can. They have become the same type of Angels that Donna & Jeff have been all these years. Donna will be deeply missed. A memorial is planned for April 2024.

While researching the internet for information on Donna, several write-ups have been written. Here are a few links:

OCTOBER MEETING

Oralia Espinoza, Program Chair, guided the members in a fall project using bundles of artificial foliage to arrange a floral display. A regular club meeting ensued, which was available on Zoom as well. Meetings are held the 1st Thursday of the month.

HACKER ALERT!

Hackers are at it again! If something looks “phishy” it probably is. Recently, an email was sent to the editor from “Kat Hupp”. Here’s what it said:

Will you be home 5pm your time?

I am in a conference meeting right now as I would be working till late midnight but need you to get me some gift cards. Could you pick a few Apple Gift cards for me, when I'm done with the meeting I will reimburse you.

Await your soonest response.

Kat

After checking with the real Kat Hupp and checking who the real sender was, it was clearly a “phishing” email.

Here are a few things to remember when checking your email:

- Don't click on a link before checking who the real sender is. Look at the actual email address it is coming from not just the name associated with it.
- Use a strong password and consider changing it regularly.
- Update your virus protection to the latest version whenever you receive a warning or notification from your security software or Windows Security Center.

Committee co-chairs, **Lee Sola & Tracy Dulle** and committee members of The Welcome Wagon Committee have throughout the year, greeted over 80 newcomers to Agua Dulce with a bounty-filled basket of goods that reflects our welcoming hearts. MONTHLY HOROSCOPE

November 2023 horoscope recommends setting goals. This period favors any undertakings, in all spheres of life the situation will develop in the best possible way. If you take the right steps, the results will double. In the month of Scorpio, the energy level increases, enhancing the natural qualities. The favorites of fate will be Fire signs that will be able to achieve everything that was planned. To complete the picture, it does not hurt to buy a lottery ticket. As for love, the Beaver Full Moon in November is ideal for confessions, when people are as liberated and open to new things as possible. There is no doubt that feelings will not go unanswered: a flared romance will turn life upside down.

Financial affairs in early November leave much to be desired. Nothing terrible will happen, but you will have to worry a little. The horoscope believes that business partners will let you down, or an unfavorable situation will develop in the labor market. It is necessary to temporarily reduce expenses by giving up unnecessary purchases. Soon everything will change, incomes will increase dramatically. Since Venus in Virgo streamlines life, it will become easier to finish what you started. Thanks to this, it will be possible to do what has long been dreamed of, but all hands did not reach. It's time to throw the trash out of the house, rekindle broken relationships, and take charge of your health. If you show a drop of perseverance, something new and certainly good will come into life.

ABOUT US

We are a sanctuary and forever home for a variety of exotic animals. Most come from the illegal pet trade. Our job is to give them the best possible life in captivity while sharing their amazing attributes and superpowers with the public. Please know we are not a petting zoo, but a place of immersive observation that will tickle your wild side.

We discourage people from keeping exotic animals as pets. They are often kept in solitary confinement with insufficient diets and have seen the worst in humanity. We seek to undo the harm that has been done. Through proper care, space, and love from our staff and community we are giving them a new lease on life. Without Animal Tracks these animals would be destroyed. We rely on your support to give these animals their second chance.

Their survival starts with you

OUR MISSION

We are committed to promoting conservation education by teaching our community about the dangerous impact humans have on wildlife. Through immersive education, we are spreading awareness of these dangers.

STACY GUNDERSON

Owner & Executive Director

Stacy took over as Executive Director in 2008. Under her guidance Animal Tracks has rescued, or taken in well over 100 exotic animals. Many of those animals are from the illegal pet trade and have lived through horrible conditions or abuse. She knows each animal intimately, their personalities, likes and dislikes, but most importantly what each animal needs to thrive individually.

WITHOUT YOU

None of this is possible without your support. They need you, just as we do. Their survival starts with your generosity. We are working toward building a new, bigger, and advanced facility. This isn't possible without your help. I am truly grateful for every penny donated and every volunteer hour spent. Words cannot express my gratitude. Thank you!

Stacy Gunderson

Bindi & Bailey are adoptive sisters. They were stolen from the wild as babies. With us they have a forever home, and each other.
