PRESIDENT'S MESSAGE

Hello Members,

Summer continues with a vengeance.

I hope to see many of you at our next general meeting on Thursday, Aug 1st.

We will be meeting our 2024

Scholarship recipients! We'll start with some food and words from our scholars followed by our business meeting.

Patti Duce, Rosie Heffley, and their Agua Dulce Country Fair & Parade committee have been hard at work the last couple of months getting ready for our big annual fundraiser. Save the date, Saturday, September 21st. The parade starts at 4pm, and the Fair follows. Craft vendors will open at 3pm in case you want to shop while waiting for the parade to begin.

While I hope to see you there enjoying the music, shopping, entertainment, etc., I also hope that you can spare an hour or two of your time there to volunteer for this amazing fundraiser. If you are interested in helping, please reach out

to the event Volunteer Chair, **Megan Marquiss** at megan_em5646@yahoo.com. An hour is all we ask. Saturday, August 17th is Volunteer Training Day. That day you will find out exactly what your volunteer position entails. It is not mandatory, but we'll be having fun afterwards eating chili, salsa, and jam! If you're interested in sponsoring or donating to the event, please contact Patti Duce at pattirduce@gmail.com.

On another note, I'd like to give a huge thank you to **Oralia Espinoza** for being our programs chair for 2023 until Aug 2024. I am sad to report that she will be stepping down after this month. She promises to continue to be an active member and help with events. I hope she does because she is always a great help! Thank you, **Oralia**, for your time and commitment to this board. It is very much appreciated.

MONTHLY HOROSCOPE FOR ALL ZODIAC SIGNS

Here we are in the “dog days” of summer. It’s time to start thinking about putting food away for the winter. Corn, broccoli, beans, okra, sweet peppers, Swiss chard, and purslane can be steamed for a few minutes, cooled down with ice water & thrown into the freezer. Berries can go in as is. I recommend freezing most of these items on a cookie sheet first so that they can freeze individually. Then, they can be placed in glass containers. Come winter, they can be added to soups, stews & stir-fries. See how to freeze vegetables and fruit.

We have another period of apparent retrograde motion from planet Mercury. Mercury goes retrograde at 12:56 AM (EDT) on the 5th and doesn’t return to direct motion until 5:14 PM (EDT) on the 28th. This is a time to redo, rework, and refine projects already on the desk. Intuition is generally very high during these times, and you will likely see things that might otherwise elude you. However, our general principles are often out to lunch as well, so it is best to look things over, but leave any important decisions for review after this period is over.

During this whole period, Planet Mars is quite close to Planet Jupiter, so energy levels may be high, but anger can also be easily invoked. Be advised.

We are working our way toward a New Moon at 7:13 AM (EDT) on the 4th. The Full Moon occurs at 2:26 PM (EDT) on the 19th
