## PRESIDENT'S MESSAGE

*Hello Everyone,*

*I hope to see you all at the September 5th general meeting @ 6:30pm! It starts with short business followed by Fair & Parade prep. We'll also be voting on By-Law changes.*

*Speaking of the Fair & Parade, many volunteers are working hard getting ready for this big fundraiser. I hope you have it on your calendars to attend and/or help out. I'm so looking forward to it! The great band ORB is headlined for the evening. Along with music, there will be kids' games, raffles, food vendors, beer/wine booths, craft vendors, a roaming magician, a petting zoo, and more... a little fun for everyone!*

*Did you know that September is Emergency Preparedness month? Are you prepared to help yourself or your neighbors? Unfortunately,*

### MONTHLY HOROSCOPE FOR ALL ZODIAC SIGNS

On the 1st of this month, planet Pluto retrogrades back into Capricorn. As Pluto remains in this sign, look for some changes in the traditional way of doing things through the end of this year.

Pluto is profound and deep, bringing about transformations through letting go and building anew. Would you like to change the way you structure your life? Visioning how you would do that and thanking your angels for helping you accomplish this end would bring you much closer to your goal.

There is a New Moon at 9:54 PM EDT on the 2nd. When we begin a new lunar cycle, it's time for a fresh start. If you are missing something in your life, this could be a time to consider a new experience or a change. But also be patient with yourself and leave room for human error or foolish behavior. Energy levels should increase after this date.

We then work our way toward a Full Moon Lunar Eclipse on the 17th at 10:34 PM EDT. See the Almanac Eclipse page. This eclipse will be visible in the Americas (except westernmost Alaska), Africa, the Middle East, and Europe. With the full Moon, you may be thinking more clearly now. Harness the power of the Moon to manifest a new dream or goal.

Planet Mars travels into Cancer late in the day on the 3rd. Home and family may become more of a focus for us after this time.

On September 22 this year, we usher in the first day of autumn.
