PRESIDENT'S MESSAGE

Welcome to 2025! I am hopeful that this year the ADWC will continue in its success as we have wonderful community events planned! While our monthly meetings are "business" driven, it is also a night to meet with friends, both old and new.

I am a big believer in "women supporting women," (men too), and look forward to a fun and fulfilling year!

Cheers to 2025!

Sincerely!

Susan Slamer

*Our friend, our club sister, **Rosie Heffley**, passed away on Tuesday, December 31, 2024. **Rosie** was a beloved member of our community, always dedicated to making a positive impact and bringing people together. MONTHLY HOROSCOPE FOR ALL ZODIAC SIGNS

The weather may be cold, but the heat is on once Venus enters spicy Aries on the 4th! This transit favors bold romantic moves. Let your passion take the wheel, and you'll stay warm through Valentine's and beyond! But be careful: Venus in Aries can be impulsive, especially when it comes to money matters. Rein in your spending, and you'll avoid calamity.

On the 12th, is the full Moon. This full Moon can bring frenemies out of the woodwork. While that may be disappointing, it's better to know who's in your corner...and who's not.

Feelings can cloud objectivity, so it's best to find your calm before making decisions. This transit is excellent for compassion, sensitivity, and intuition. Even the most stoic person can discover their soft side now (perfect for Valentine's Day!).

Creativity, tenderness, and benevolence lead the way for the following 4 weeks. Tune into your muse, listen to your instincts, and give the shirt off your back. Watch out for escapist tendencies. While there is nothing wrong with dreaming, you don't want to lose sight of your goals. February finishes on a beautiful note when the new Moon in Pisces arrives on the 27th. Suddenly, you can forge new bonds, make new art, or dream up future goals. There are no limits to what your imagination can conjure. Dream on—and big!
