PRESIDENT'S MESSAGE

2025 is off to a great start! Thanks to everyone for offering to chair, co-chair and volunteer for our upcoming events. We cannot do the wonderful programs without the help of our members, and it is much appreciated!

While I won't be able to lead the March 6th general meeting, it will be in the best capable hands, our VP and my daughter Nicole Higdon!

See you all soon

All the best,

Susan Slamer

MONTHLY MEETING SCHEDULE FOR 2025

We will have five business meetings this year: January, February, May, August and October. These meetings will begin with a short 30-minute social time at 6:30 pm followed by the business meeting at 7 pm.

Other months (March, April, June, September, November and December) will be more social in nature (new Programs Director Amanda Buchan has some fun things planned—stay tuned for more information). These meetings will begin at 6:30 pm with a short 30-minute business meeting followed by the social program beginning at 7 pm.

July as always will be dark—no meeting.

T-shirts from the fair are available for purchase at the clubhouse.

Happy Birthday

MONTHLY HOROSCOPE FOR ALL ZODIAC SIGNS

Relationships will be tested. It's best to exercise patience. A bit of restraint will go a long way to keeping the peace. Spending habits need to be watched carefully. Unwise retail therapy sessions could put you in the red. Keep your wallet closed, and you'll avoid buyer's remorse. The flip side of this is that you may receive money owed. Mercury zips into Aries on the 3rd, which elevates originality, decisiveness, and enthusiasm. These qualities make it an excellent time for bold leadership. Conversations can be exciting or incendiary during this transit, which lasts until the 29th. It's best to speak candidly but tame the fire to avoid misunderstandings. Declutter your lair, deep clean every nook and cranny, and open the windows (if weather permits). It feels so good to have a tidy nest!

Heads up: Mercury will be retrograde on the 15th. Miscommunication is possible, especially if you're speaking more than listening. Travel could also be problematic, so it's wise to carve out extra time to arrive at your destination. You can spare a lot of aggravation if you don't have to deal with short layovers! It's also important to back up your computers. Lastly, avoid signing contracts until Mercury stations direct on April 7th.
