A MESSAGE FROM OUR PRESIDENT

Hello Everyone,

I'm looking forward to seeing you at the General

Meeting this Thursday, May 4th @ 6pm. The program starts at 6pm this month, not the usual 6:30. If you didn't sign up for it, that's okay, come and hang out with us anyway! The business portion of the meeting starts promptly at 7pm.

*Thank you to member **Debbie Marr** for chairing the Seniors Luncheon on April 5th, and thanks to her committee. It was well attended, and the seniors had a great time! Thanks to those of you who attended the Grand Re-Opening of the clubhouse on April 22. Thanks also to the committee that worked hard to create this lovely event for the club and the community. The Agua Dulce Royal Court had their annual Pageant this last Sunday as well. Thank you to the amazing **Karrie DeMott** who continues to be these girls' leader. I look forward to seeing the pics!*

*In other news, I'd like to announce our new board member, **Angela Phillips!** She has graciously accepted the Editor position. The board looks forward to working with her. She has hit the ground running and created this month's newsletter within days of accepting the position. I'd like to say thank you to **Amber Hamilton** for her many years serving as editor. Her work has been greatly appreciated.*

DONNA & JEFF SAUFLEY NEED YOUR HELP!

Our local resident, Donna Saufley, has suffered a debilitating stroke which has caused catastrophic consequences both for her and for Jeff, her husband.

"On February 24th Donna was diagnosed with a malignant brain tumor. This condition came as a complete surprise, as Donna was healthy and active right up to that point. Within 5 days of the initial diagnosis, Donna had to undergo intrusive brain surgery to remove the tumor. Although most of the cancer was removed some could not be, typical of the difficulty with this type of malignant brain tumor. As a result of the surgery, Donna suffered a post-operative stroke. As a result of the stroke her speech and some cognitive capacities have been affected as well as her ability to move her right side. The stroke has left her unable to walk, dress, shower, or care for herself so she is now dependent on round-the-clock care from caregivers (primarily Jeff). Donna and Jeff are now engaged in the long and hard process of cancer treatment, which will involve many months of both radiation and chemotherapy. Donna is still in phenomenally high spirits with her characteristic optimistic attitude as they get ready for the long-term battle with this cancer." (from GoFundMe)

If you want to help the family, please consider using this link to GoFundMe <https://gofund.me/3972d243>

You can also access a site that will give you updates on her progress.
